PROJECTS

(IN PROGRESS – WILL BE LISTED)

CERTIFICATION

- CompTIA A+ (in progress)
- Network + (in progress)
- Security + (in progress)
- CCNA (in progress)

EDUCATION

- **Masters of Science (M.S.) in Cyber Security (in progress)** at SNHU.
- **Masters of Science (M.S.) in Learning Technologies – Workforce Leadership** at the University of North Texas. 3.8 GPA.
- **Bachelor of Applied Arts and Sciences (B.A.A.S.)** in Applied Technology and Performance Improvement at the University of North Texas. 3.6 GPA.
- **Associate of Applied Arts and Sciences (A.A.S.)** in Business Office Support Systems at Collin College. 3.5 GPA.

VOLUNTEER

- **HACK DAYS 2020** – Provided State Farm with Enterprise enhancements to their Drive Safe and Save App. Worked with a team of six to showcase new features in a presentation.

- **Diversity Group and Women of Distinction Photographer** – Volunteered to take pictures of Central Market's clubs.
- **Meal Packer at Help Feed My Starving Children** – Helped package food for a non-profit organization called HFMSC. Food includes ingredients that is nutritional and part of a well-balanced diet. Once the food was packaged, we put them in cardboard boxes and loaded them to be shipped to countries that needed the help.
